A New York Times Notable Book for 2011
One of Entertainment Weeklys Top 10
Nonfiction Books of the Year 2011A Time
Magazine Top 10 Nonfiction book of
2011A Boston Globe Best Nonfiction
Book of 2011One of Library Journals Best
Books of 2011 A sharp-eyed, uniquely
humane tour of Americas cultural
landscapefrom high to low to lower than
lowby the award-winning young star of the
literary nonfiction world.In Pulphead, John
Jeremiah Sullivan takes us on an
exhilarating tour of our popular, unpopular,
and at times completely forgotten culture.
Simultaneously channeling the gonzo
energy of Hunter S. Thompson and the wit
and insight of Joan Didion, Sullivan shows
uswith a laidback, erudite Southern charm
thats all his ownhow we really (no, really)
live now. In his native Kentucky, Sullivan
introduces us to Constantine Rafinesque, a
nineteenth-century polymath genius who
concocted a dense, fantastical prehistory of
the New World. Back in modern times,
Sullivan takes us to the Ozarks for a
Christian rock festival; to Florida to meet
the alumni and stragglers of
MTVs Real World, whove generated their
own self-perpetuating economy of minor
celebrity; and all across the South on the
trail of the blues. He takes us to Indiana to
investigate the formative years of Michael
Jackson and Axl Rose and then to the Gulf
Coast in the wake of Katrinaand back again
as its residents confront the BP oil spill.
Gradually, a unifying narrative emerges, a
story about this country that weve never
heard told this way. Its like a fun-house
hall-of-mirrors tour: Sullivan shows us
who we are in ways weve never imagined
to be true. Of course we dont know
whether to laugh or cry when faced with
this reflectionits our inevitable sob-guffaws
that attest to the power of Sullivans work.
