

Green Typewriter (frog hell Book 1)

book composed of 100+ pages of tweets, mercilessly diced and reconstituted by a frenzied machine robot into a hellish grimoire that would make joyce scream and faulkner call in sick. if there is a story its existence is clearly lost on the author, yet somehow still manages to make more sense than finnegans wake. a true american classical mess. you will die someday. everyone dies. buy me a sandwich. read at your own risk, not recommended for seniors, pregnant women or children under the age of 5taste the blast
