

Kids Only: Songs, Chants and Action Rhymes (Kids only songbook & cassette packs)

Kids Only cassette and book are the perfect way to introduce English into your classroom. A comprehensive selection of songs, chants and action games can be found in the Kids Only cassette and this accompanying 32 page book. The repetition of these songs and chants will ensure your pupils will memorise them quickly and unconsciously - and will learn with ease. Craft activities and plenty of photocopiable material allow children to practise further the vocabulary and ideas introduced in the songs.
