

## In Hiding: The Life of Manuel Cortes

In the mountain of books about that war there cannot be another so brief and yet so complete, so unguarded and yet so subtle, so movingly human as this. Arthur Miller, The New York Times  
In Hiding is the spellbinding story of a man who spent thirty years holed up in his own home to escape execution. Manuel Cortes, a socialist and mayor of the village of Mijas in Andalusia, became a marked man once Franco's forces took power. Cortes stayed under cover until amnesty was decreed in 1969. This absorbing narrative, based on numerous in-depth interviews, chronicles an awe-inspiring ordeal and depicts one of Spain's darkest hours in visceral detail.
