

Hells Belle : The True Story of Belle Gunness

Belle Sorenson Gunness was Norwegian-American serial killer who stood six feet tall and weighed more than 200 pounds. She ended up killing most of her boyfriends and suitors. Horrifically, she also murdered two of her daughters. This is the biography of a ruthless woman whose abominable deeds earned her nicknames such as Lady Bluebeard, Hells Belle and the Mistress of Murder Farm. She has gone down in history as one of the most prolific serial killers of America.
