

A Miscellany of Dances: Easier Piano Pieces 09 (Easier Piano Pieces (Abrsm))

One of the best known of Bachs pupils, Johann Philipp Kirnberger published this 1777 collection of dances with the aim of developing a students sense of time and rhythm. Kirnberger mixes pieces in the traditional French dance style - Passepied, Gavotte, Gigue, Musette, etc. - with more up-to-date pre-Classical forms, including a Polonaise and Cossack.
