THE GUYS VIEW Think about it, chaps, as far as females go, there are dogs, horses and budgies that are easier to understand. In fact, there are giant turtles, jellyfish and even bacteria that are easier to communicate with than females. And, whats more, if any of the aforementioned were to respond, they would make far more sense than any woman. **THE GAL'S VIEW** They leave the toilet seat up no matter how often you ask them not to. They come and offer to help with the dishes/ironing/h Hoovering only when theyre certain youve just about finished. They invite their mates round to watch the football on the telly and assume that, if theres not enough beer and food in the fridge, youll be only too happy to pop out and get more. And as for the dirty socks and pants they leave lying on the bedroom/bathroom floor in anticipation that the washing fairy will magically deal with them - well, lets not even go there!
