

Seven Pillars of Wisdom: A Beautifully Reproduced World Classic - Special Edition Including Every Illustration

The definitive version of one of the greatest books ever written. Produced from the rare 1935 edition, Apostrophe Books release of T.E. Lawrence's *Seven Pillars of Wisdom* has all the charm of the original, plus its 58 stunning pictures and maps. Published in 1935, *Seven Pillars of Wisdom* tells the story of the Arab Revolt of 1916-1918 through the eyes of the soldier who would book a place in history as the great Lawrence of Arabia. It ranks with the greatest books ever written in the English language. As a narrative of war and adventure... it is unsurpassable (Winston Churchill) Round this tent-pole of a military chronicle, T. E. has hung an unexampled fabric of portraits, descriptions, philosophies, emotions, adventures, dreams (E.M. Forster) I am not much of a hero-worshipper but I could have followed T.E. Lawrence over the edge of the world... It seems to me as certain of immortality as anything written in English for half a century (John Buchan) *Seven Pillars of Wisdom* is one of the major statements about the fighting experience of the First World War (Angus Calder) Emotional and mythic (Guardian)
