Perfect Times - Special Edition Prepare to set sail on adventures around the world. This special edition offers you the chance to share some of the greatest moments, days and times in my life. From The Orient, Far East, Indian Ocean, Europe, Caribbean, The Bahamas and the USA, the stories fly across the globe. With city life, countryside, desert scenery or stunning coastlines, there is a place and a time for everyone to enjoy. Now, in my mid 40s, I have been travelling the world for over 16 years. It has been wonderful. I am so lucky to have had the opportunity to do this in my life. I have met interesting people and visited the most diverse scenery. I have a carousel of memories from places and moments enjoyed. Life should be something to enjoy, as often as possible. Having adventures, discovering new places, finding new friends and making treasured memories, is what the world should be about. The world is a book and those who do not travel read only one page.
