

## The Picture Puzzle Challenge: Hundreds of Fun Puzzles

Photographic puzzles are great looking, challenging, and lots of fun for everyone! Here are hundreds to solve, all with high quality images. The visual brainteasers range from simple Enigmas (try to recognize an object from a close-up picture) to a wide variety of Spot the Differences, and more. In addition to providing all the answers, the book includes an introduction with advice on how best to tackle the trickier puzzles. SOLVE THESE! Missing Monuments Which famous monument is hidden in the pixilated squares? Scramblers An image has been broken down into small squares and re-arranged. Try totell what it is! Spot The Difference Start with the easy ones and then move on to some brainbusters that require eagle eyes and a sharp mind. These colorful, attractive puzzles include patterns, food, textiles, and landscapes
